
Name: Amanda Moore

Subject Taught: Physical Science

Phone number/ ext: (706) 216-5801 ext. 1866

About Me:

I am from and still live in Hall County. I received my degree in Psychology and in Education from Brenau and my masters in education from Piedmont. I am getting closer to retirement, and I have been blessed to spend the majority of my career in Dawson County. I have grown as a teacher and as a person with some absolutely wonderful Dawson County students.
