## About Me:

My name is Richard Sullivan and this is my 4th year at Dawson County Junior High. I am originally from Oklahoma and completed my undergraduate degree there and my master's degree at Mercer University. I retired in 2017 after 30 years on active duty. My wife and I have been married for 38 years and have three adult children and two granddaughters. I enjoy teaching Physical Science and helping students understand the scientific principles behind the phenomenon we observe everyday in our world. Being at DCJH is the best!
