
Name: Jennifer Parker

Subject Taught: Algebra 1, Honors Algebra 1, & Foundations of Algebra

Phone number/ ext: 1864

Email: jennifer.parker@dawson.k12.ga.us

About Me:

I grew up in Jacksonville, FL and moved to Georgia after graduating from Florida State University (Go Noles!). I taught for 18 years in Forsyth County before moving to Dawson County in 2020, and I'm so happy to be a part of Dawson County Junior High School.

Math is my absolute favorite thing to teach, and I believe that every student can learn to enjoy math - even if they haven't in the past. My husband is also a math teacher. We have two children - Maggie and Will, two cats, and two of the cutest and craziest dogs. I love watching Braves baseball and FSU football. I'm looking forward to another great year at DCJH!
